- Qualified 2018 disaster distributions are limited to \$100,000 per disaster. If your qualified 2018 disaster distributions made in 2018 and 2019 for a disaster totaled \$100,000, you do **not** have qualified 2018 disaster distributions available for that disaster in 2020 and should **not** include distributions in Part I below for that disaster. See instructions.
- See Table 1 in the instructions for the list of qualified 2018 disasters.
- If you are reporting distributions in Part I for more than one qualified 2018 disaster, see the instructions to determine whether you should use Worksheet 2 to figure the amounts to enter in Part I, column (b), below. If you must use Worksheet 2, check this box ► ☐
